Pep Week: Spirit Of '76

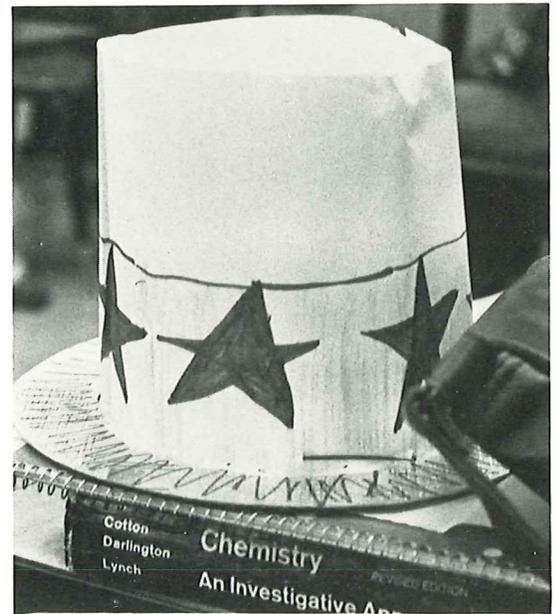

Homecoming spirit week began with the freshmen dressing up as turkeys. Fortunately, none were used for Thanksgiving dinner. Sophomores dressed as cowboys (cowpersons?) and juniors were Indians. Seniors topped off the week dressed as twentieth century Uncle Sams and Betsy Rosses.

"Judge" Woodward presents Ellie Muir with a bottle of Brut cologne for having the biggest biceps.

Which is the real Betsy Ross?

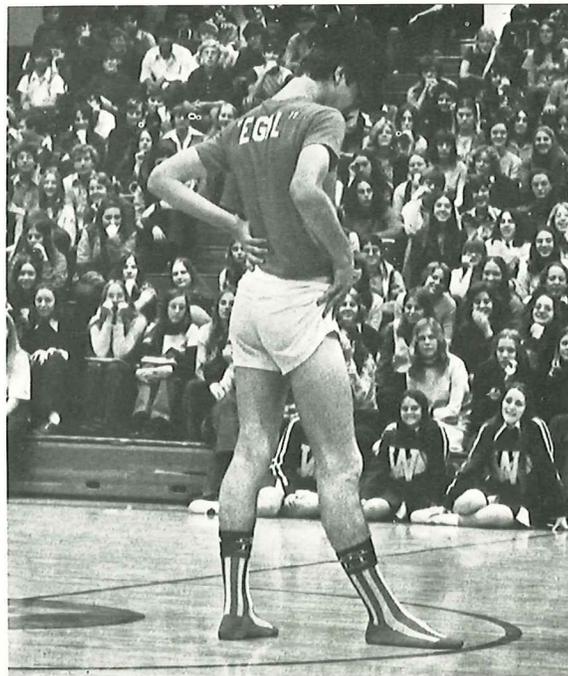

Despite an awful lot of rain, the pre-game bonfire was held as scheduled. John Reilly was awarded the title of most beautiful legs, while Ellie Muir was found to be the girl with the biggest biceps. The slave auction, the bonfire, the tricycle races and the pep assembly combined to show that the Spirit of '76 is alive and well at Wheaton North.

SOCCER

The Wheaton North Soccer team completed its best season ever this year, finishing with a 6-10-2 record. The Falcons started off slowly, but towards the end of the season they came on strong. The highlight of the season came in the second round sub-sectional game, when junior Dave Curch's overtime goal beat last year's state runner-up, cross-town rival Wheaton Central. Another high point was that junior David Kerr was an all-state selection.

Three cheers for our Cross-Country team, the most successful of our fall sports. Coach Eckman's Harriers finished the season with a 1st place in Conference, Districts and a 4th place in Sectionals, missing sending their team Downstate by one point. Wheaton North did send one runner Downstate, though—Junior Doug Diekema, who, while troubled with illness, finished thirty-first. Other top performers for the Cross-Country team include senior captain Larry Brown, senior Bill Johnson and juniors Ken Davidson and Jay Avery.

 Friday . . . Red and White and Gangsters Day

Thanks to the efforts of the Student Council, the Winter Pep week proved to be a great success. Each day students dressed up differently and the grand finale was the pep assembly held Friday afternoon. Saturday night brought the school's first Valentine's Day Dance, another student council innovation.

STUDENTS SHOW SPIRIT AT OPEN HOUSES

Open Houses this year showed the outstanding spirit of the students at Wheaton North. Everyone found that getting together with a lot of friends added to the fun of a Friday night. At the Open Houses, not only were there lots of friends, but the mood and music helped top off the evenings after exciting basketball games.

1.) North students Dean Retzsch, Jim Aldridge, Bob Allen and Ken Honeywell provide musical entertainment. 2.) Gretchen Hundt and Dave Classen enjoy themselves. 3.) Disco Art does his thing. 4.) Could this be a new dance?

BASKETBALL

This year's basketball team, although hampered by inexperience, still battled to a 10-14 record overall and a 7-7 mark in conference, good for fifth place. The Falcons, led by all-conference selections Phil Meyers and Dean Retsch, showed flashes of brilliance throughout the season, but consistently failed to put four solid quarters of good basketball together.

Seniors Retsch and Meyers accounted for much of the team's scoring this year. The duo also finished one-two in the conference scoring race, with Meyers taking first. In addition to his scoring, Retsch also established a career record for assists.

Although this season proved to be somewhat of a disappointment, experience gained by juniors Mark Exner, Scott Landreth and Chris Wight, and sophomores Scott Heck and Chris Northrop should provide a strong base for next year's team.

The duel meet season went well as the Freshmen record was 9-4, the Sophomores was 10-3, the J.V. was 8-3 and the Varsity won 9 meets and lost 10 meets. Jeff Samples and Bill Longren were voted most valuable wrestlers, with Scott Duncan winning the most improved award. The loss of eight seniors will be felt but many promising underclassmen should make for many winning future seasons.

HOCKEY

The Wheaton North Hockey Team finished this year with a disappointing 4-26 record. This record, however, was not due to lack of skill, but lack of experience. Only three seniors returned from last year's varsity squad. Returning to next year's squad will be eleven underclassmen, plus a J.V. team that compiled a 7-12-1 record. This should provide a good team for next year's season.

GYMNASTICS

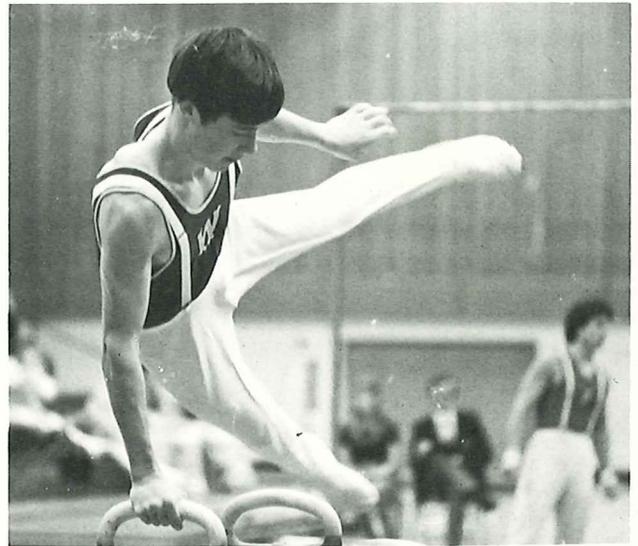

The Gymnastics Team was in a rebuilding period this season. The Varsity Team was comprised of juniors and sophomores only, no seniors. Facing such adversity, though, they compiled a very respectable 6-10 record. The team placed 5th in conference, with Greg Schramer getting a 2nd on the trampoline and a 4th in floor exercise, and Dave Sipe placing 3rd on the high bar. The team came back in the districts, however, taking 3rd place. Greg Thorse, on the parallel bars, and Tom Goudreault tied for 4th on the side horse, Greg Schramer got a 4th on the trampoline, Fred Trumbower and Dave Lienhard took 5th and 6th, respectively, on the high bar, and Bob Paakh got a 5th on the rings. INDOOR TRACK

Although the Indoor Track Team was threatened by a larger conference, the Falcons stubbornly went about their winning ways. The '76 team literally ran off with the Dupage Valley Conference championship.

Coaches George Turnbull, Rollie Eckman, Ken Young, and Norm Kurz subsequently entered the team in both the Panther Relays (at Proviso West), and the Oak Park Relays. Even at these large (77 teams at O.P.), prestigious meets, the fleet Falcons held their own, losing only to perennial state powers, like Thornton and Lyons Township.

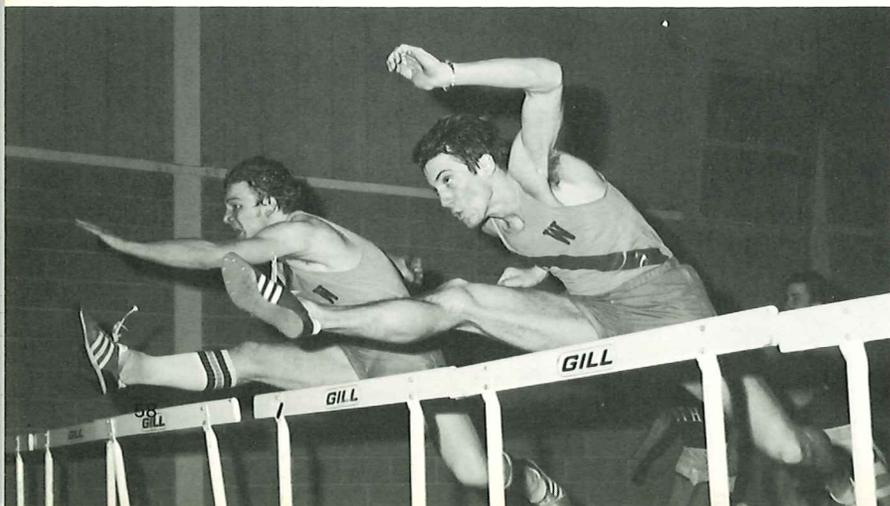

Record setters for the Falcons were, Bruce Rolfe (58' in the shot), Jim Carsten (6'4" in the high jump), Frank Vacek (12'6" in the pole vault), Doug Diekema (9:25 in the two mile), Brian Rice (7.5 in the high hurdles), and Larray Brown (1:16 in the 600 yard run, and 2:23 in the 1000 yard run).

This year the girls' volleyball team had some strong competition. However, even with losses, they placed third in the conference and then in districts, improving throughout the season.

Bev Szarzynski was voted the most valuable player and Kelley Kaltofen was voted the most improved. On the whole, the team did very well this year. Keep on bumping, girls!

The beginning of the season found our Falcon girls' basketball team with a solid senior leadership, a great coach, and good players on the Junior Varsity level. The only element our Falcons lacked was more school support.

Key participants on the varsity level included seniors Carla Dusek, Holly Leppert, Bev Szarzynski, and team captain Mary Michelic. Coaching this year's team was Mrs. Cheryl Ruceis.

The girls' badminton team did very well this year. Even though they came in second in the conference meet, they took first in the conference for the second year in a row.

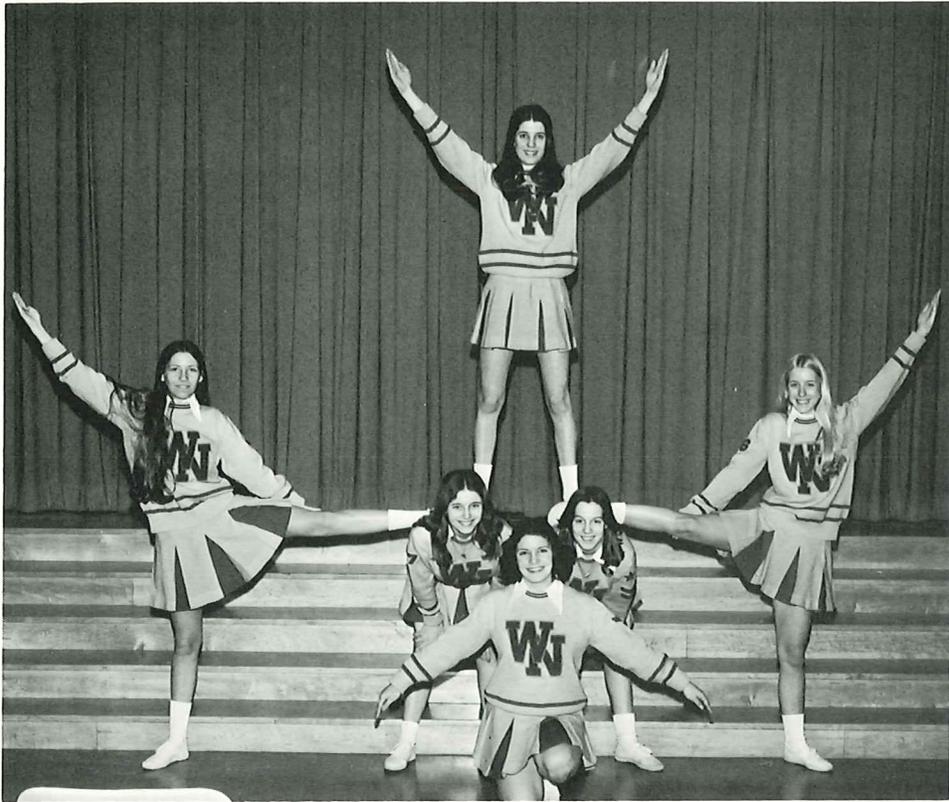

Seven out of the twelve starting players are graduating which we hope won't hurt the team too much next year.

The 1976 Falcon tennis team had one of the finest seasons in recent years. Coach Dusek's netmen proved that team balance can overwhelm teams with individual stars as they compiled a very respectable 12-5 record. Throughout the season, outstanding performances were turned in by Senior Co-captain, 1st Singles player Dave Hoganson, and the fine 1st Doubles team consisting of Senior Co-captain Dave Bareham and Senior Pete Schnieder. On May 14, the team went into the DVC meet as one of five teams still in contention for the title. Behind 3rd Singles champion Chuck Bennorth and 2nd Singles finalist Mark Exner, the Falcons tied Wheaton-Warrenville for the championship. Other highlights of the year were the City Tourney where the Falcons were co-champions, and a third place finish in the Districts. The future looks bright with Exner and Bennorth returning along with a fine sophomore team.

TRACK STATE

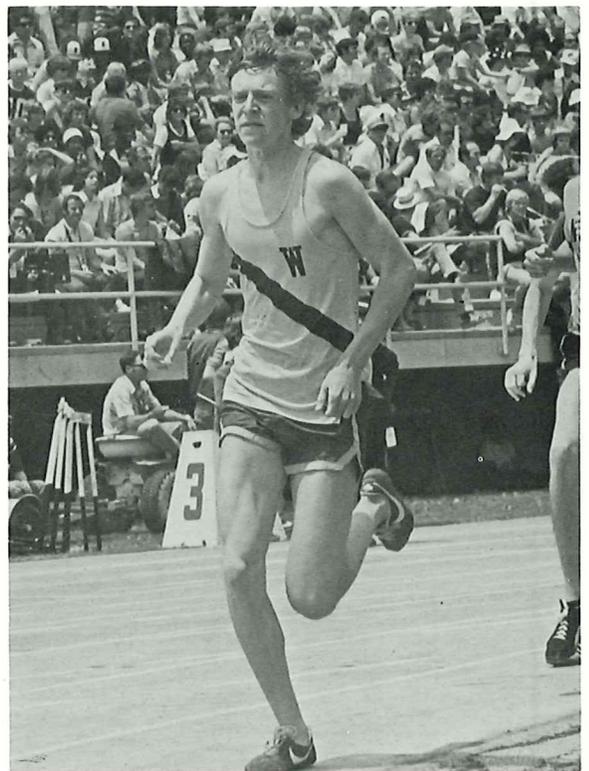

Bruce Rolfe wins the State discus title for the second consecutive year.

Doug Diekema placed 7th in the State 2 mile.

Brian Rice takes on State Champ Foster in the State prelims.

Jay Avery running in the 2 mile Downstate.

More individuals than ever before qualified for the state meet! Doug Diekema and Jay Avery in the two-mile, Brian Rice in the high hurdles, the 440 relay team consisting of Dave Fry, Scott Cote, Tim Schwalm and Chuck Rigali, Jim Carsten in the high jump, and Bruce Rolfe in both the shot put and the discus throw.

Bruce's undefeated season in the discus was highlighted by a record setting 177'7" at the state meet, placing him first for the second consecutive year, the first to do so in 40 years. His district throw of 57' in the shot broke the school record by five feet. The only other competition to receive state recognition was Diekema with his 7th place finish in the two-mile. He also set the school record in that event earlier in the year with a time of 9:12. The only other individual record set during the season was in the pole-vault, 13'6" by Frank Vacek.

HOME EC IN ACTION

Wheaton North's Home Economics department sponsors several annual events. The largest, the fashion show, is a major senior project. This year's show, written and coordinated by Pam Hartigan, Rita Page and Liz Ardelt, followed a bicentennial theme of 200 years of fashion. Almost 200 girls participated working on both stage and writing in addition to modeling. Also pictured is the Bachelor Living class, a new addition to the Home Ec curriculum.

In Memory Of Our Friends

Scott Taylor
(1958-1975)

Kathy Taylor
(1960-1975)

Love Thee more dearly,
Follow Thee more nearly—

Godspell
